## PROFILE SUMMARY

Web Developer with hands-on experience in building responsive, high-performance web applications using HTML, CSS, JavaScript, React.js, and Next.js. Currently working as a UI Tester & Frontend Developer, contributing to UI development, manual testing, bug fixing, and cross-browser compatibility. Strong understanding of component-based architecture, REST API integration, and modern UI/UX standards. Actively seeking a Web Developer / Frontend Developer role in a growth-focused organization.

## PROFESSIONAL EXPERIENCE

### UI Tester & Frontend Developer

Shwetak Global Solutions Pvt. Ltd. | 10 Aug 2024 – 31 Aug 2025

- Developed and maintained responsive frontend components using React.js and modern CSS.
- Performed manual UI testing, identified bugs, and coordinated with developers to resolve issues.
- Ensured cross-browser compatibility and mobile responsiveness.
- Integrated frontend interfaces with REST APIs.
- Improved UI consistency and overall user experience using UI/UX best practices.

## PROJECT

### Admin Dashboard & AI Suite | 2025

Technologies: Next.js, TypeScript, Tailwind CSS, Zustand, PostgreSQL

- Built an enterprise admin dashboard with role-based access control.
- Implemented AI-powered assistant and Kanban task management.
- Integrated backend APIs and analytics dashboards for real-time data.

### Shop Cart – E-Commerce Web Application | Aug 2024

Technologies: React.js, Redux Toolkit, JavaScript, Bootstrap

- Built a full-featured e-commerce frontend with product listing, cart management, and authentication.
- Implemented Redux Toolkit for global state management.
- Designed reusable, scalable components with mobile-first UI

### Foodie Flyer – Food Delivery Application | Oct 2023

Technologies: React.js, JavaScript, Bootstrap

- Developed a responsive food delivery web application with smooth order flow.
- Implemented login and registration components.
- Focused on clean UI design and user experience.

### Farm Picked – Grocery Web Platform | Mar 2023 – May 2023

-ABSS Institute of Technology | Meerut

Technologies: HTML, CSS, JavaScript, Bootstrap, Python, Django, SQLite

- Collaborated on an online grocery delivery platform.
- Worked on frontend development, backend integration, and database connectivity.
- Integrated UI with backend APIs for real-time data handling.
